

Cash Management Account Features Comparison

To create an account with Australian Money Market (AMM), a corresponding Cash Management Account is required. AMM moves funds between financial institutions via this "hub account" for the settlement of term deposit deals. Funds are always held in the individual or entity's name.

We offer a choice of Cash Management Accounts from the following providers:

CMA FEATURES	BANKWEST/BWAMI	BANK OF QUEENSLAND	MACQUARIE	WESTPAC	Available for existing CMA Accounts only
